Teens Thai

A teens Thai Boxing grading was held late last month with 15 students grading through to yellow, orange and blue singlet levels (pictured below).

Teens Thai has continued to have steady growth and the grading provided Shihan Mike with an opportunity to gauge the group's strengths and weaknesses.

Adults Muay Thai grading

An adults Muay Thai grading will be held on September 18 at 10am, catering for all levels to blue singlet. Spectators are welcome.

KSI team prepares to travel

A group of about 15 students from WA, including AMAF, will travel to Cha-Am Thailand to take part in Kali Sikaran International's Mandrigma Camp to be held from October 24 to 28. Several students have booked additional training sessions with Master Mike and Heikki in preparation for the trip and for a Kali State grading to be held at AMAF in December. Looking towards December, Heikki has hinted there may be a special Xmas training camp to coincide with Europe's Xmas training and a video link between the two events. More details on this soon.
